

Hello everyone and welcome to this week's What's Happening. Did you know that you can listen to KTEA wherever you, your computer and internet access are? Log on to KTEA-fm.com and listen as we stream our signal into your computer. This week we had into the studio Café Musique. They came to tell us all about a French Riviera cruise you can take with them in May 2011 through Gulliver's Travel's. Listen for that interview and live music through out the week. Remember that the Allied Arts show for the youth of our community opens on March 5th. If you are driving by the Old Grammar school be sure to stop in and see that art our talented youth have on display.

Our great Coast Union High school Bronco boosters have sent out a reminder to all of us here in Cambria that their reverse drawing will be held Saturday, March 13th at 6pm in the Vets Hall. Tickets are one hundred dollars. There will be a limited number of tickets on sale and the grand prize is five thousand dollars. Your ticket admits two adults for a bbq dinner. Proceeds will be donated to all Coast Union High School programs. For tickets please call 909-7301. The Boosters and KTEA thank you very much for your support.

The SLO Vocal arts ensemble presents a very special celtic charm concert to celebrate the music of Ireland and Scotland and to celebrate Saint Patrick's Day. Saturday, March 13th the concert will be held at 8pm in the Mission San Luis Obispo de Tolosa. On Sunday March 14th the Cambria Presbyterian Community church will host at 3pm. Tickets for all of the performances can be purchased directly from their website at www.vocalarts.org or by calling 541-6797.

I received a couple of special requests that I'd like to share with you. The Dana Adobe is seeking old photos of the Nipomo area. The photos will be scanned and added to the DANA website where they will tell the story of the Nipomo community, past and present. All photos will be handled with care and returned to their owners the same day. Owner will also be given

digital copies. Photos already in a digital format can be emailed to dana@danaadobe.org. For more information please call 929-5679. The next request is more a handy dandy reminder. Our good friends from All American Video will receive food donations all year long during their regular business hours. So, the next time you head out to rent a movie, pick up any electronic gizmos or printer ink grab a can, boxed juice, peanut butter or macaroni. It could be the easiest way yet to donate to the food bank. That's at All American Video located on Tamson drive in Cambria.

This portion of What's Happening is brought to you by The Tea Cozy. Come and join us for lunch or tea in a calm and relaxing atmosphere. Many of our teas are hand blended by us just for you. This month The Tea Cozy celebrates the British Isles with a corned beef and cabbage tea sandwich to celebrate the Irish, a Scotch pie with mushy peas and gravy and for dessert we celebrate Wales with Blackberry bread pudding. I suggest a hearty English ale with lunch but you can order teas from most of the British Isles. Make your reservation for The Tea Cozy by phoning 927-8765 and ask for Barry. For our listeners streaming from other areas you can order gifts, tea and groceries from The Tea Cozy by going to www.teacozy.com. This is Lee Anne and I welcome your thoughts and suggestions for the show, please email whatshappening@ktea-fm.com. You are listening to 103.5fm. Old time radio for the central coast.
